

MANGAKŌTUKUTUKU COLLEGE

STRATEGIC PLAN 2026

OUR JOURNEY FORWARD

Goal 1

Culture of belonging and safety

Goal 2

Exceptional teaching and learning

Goal 3

Warm community relationships

Goal 2

An environment that supports learning

STRATEGIC OBJECTIVES

Goal 1: Culture of belonging and safety

- To support and improve student attendance.
- To strengthen student engagement across the school.
- To embed clear and consistent expectations for student behaviour and learning.
- To celebrate and embrace diversity within the school community.

Goal 2: Exceptional teaching and learning

- To improve achievement outcomes for all learners Year 11-13.
- To improve literacy and numeracy teaching strategies and outcomes school-wide.
- To support all learners in accessing and engaging with the curriculum.
- To develop consistent, culturally relational teaching across the school.
- To design and implement a whole-school curriculum that reflects the college's vision and values.

Goal 3: Warm community relationships

- To continue strengthening relationships with mana whenua and other Māori whānau through ongoing engagement and partnership.
- To build closer connections with local schools.
- To forge meaningful relationships with the wider community, including local businesses and sporting groups

Goal 2: An environment that supports learning

- Develop a property plan that reflects and supports the aspirations of our community.
- To build a sound and sustainable financial foundation to support the school's priorities.
- To promote leadership among staff and students at Mangakōtukutuku College, fostering a culture of initiative, responsibility, and shared growth.
- To foster a culture of relational trust across the school.
